## **FCCI Insurance Group celebrates dividend for ABC chapters in Michigan**

*This is the second consecutive program year that members of the Michigan chapters of ABC have received dividend payments from FCCI*

**GRAND RAPIDS, Michigan** (November 12, 2020) – For the second year in a row, FCCI Insurance Group is pleased to report that it is paying a dividend – for the 2018-2019 program year – based on favorable results for its Contractors Select<sup>SM</sup> program with the Michigan chapters of the Associated Builders and Contractors (ABC). The Contractors Select program is designed to reward ABC member policyholders with a record of excellent loss experience by providing expert risk control and claim services to assist policyholder members in achieving maximum results.

FCCI has been the endorsed Property & Casualty carrier for the Western Michigan chapter of ABC since 2010, adding the other two state chapters – Southeastern and Greater – in 2017.

“The momentum and optimism around the Contractors Select program continues to grow,” said Greg Kramer, senior vice president of FCCI's Midwest Region. “The support and teamwork of our ABC partners have been instrumental in helping us achieve success with the program. We are excited to share and celebrate a successful program year with yet another dividend payout.”

“Our ABC-Western Michigan Chapter Contractor members find great value in the partnership that we have with FCCI, as evidenced by the fact that member participation has grown every year since the program began nearly 11 years ago,” said Norm Brady, president & CEO of the Western Michigan chapter of ABC. “Members appreciate the steady dividend and great customer service provided by FCCI.”

FCCI Contractors Select is a comprehensive approach to commercial insurance and risk management. Eligible ABC contractor members have access to: insurance coverage tailored for contractors; a local designated insurance service team providing professional risk control and claim expertise; construction-focused education seminars; online risk management resources; and the FCCI HR & Employment HELPLINE – an online resource providing HR management, risk control and employment law information. Dividends are not guaranteed and are declared at the sole discretion of the board of directors

of the individual FCCI insurance companies. Decisions are based on individual member premiums paid during the dividend period, length of continuous coverage, and favorable claim experience.
