The Tools and Answers You Need

As an employer, your employees are one of your most important assets. Making sure you comply with employment law regulations and follow best practices is critical to your success. FCCI *Employers Edge* takes the guesswork out of creating employee handbooks, offering and tracking anti-harassment training, getting answers to your hiring and management questions and much more.

FCCI *Employers Edge* includes:

- Online Training including Unlawful Harassment Compliance Training – Use this online training course for your managers and employees. Participants can register individually. You can track participation and print certificates of completion.
- HR Express Updates, Podcasts & Webinars – Stay informed through regular emails, podcasts and webinars about changing HR & employment law regulations. Content includes periodic HR & Employment Alerts, News & Updates on State and Federal laws, a Question of the Month, a Case of the Month and trending topics of interest.
- Employment Law Risk Management Tools – These online tools are available online 24/7 and cover recruitment, hiring, personnel records, performance management, discrimination, termination and much more.
- Handbook Builder – Use this state-specific tool to create a customizable employee handbook that includes forms, posters, policies and more.
- State-Specific Resources – Find information on minimum wage, payment of overtime, cellphone usage, electronic devices and texting laws and more.
- Customizable Job Descriptions – Simplify your hiring and performance management with model job descriptions available for a wide variety of industries.
