## **FCCI Insurance Group Declares Dividend for ABC Chapters of Ohio for Second Straight Year**

**CLEVELAND, Ohio** (June 21, 2021) – For the second straight year, FCCI Insurance Group is pleased to report that it is paying a dividend – for the 2019 program year – based on favorable results for its Contractors Select<sup>SM</sup> program with the three Associated Builders and Contractors (ABC) chapters of Ohio: Central Ohio, Northern Ohio and Ohio Valley. The Contractors Select program is designed to reward ABC member policyholders with a record of excellent loss experience by providing expert risk control and claim services to assist policyholder members in achieving maximum results.

“While the pandemic reduced our ability to interact personally with our ABC partners, we remained connected and communicated frequently,” said Kevin Wermer, director of business development of FCCI's Midwest Region. “Despite the unusual and disruptive business environment, FCCI enjoyed an extraordinary year and we are grateful to our ABC partners for working together with us to achieve these remarkable results, for the second year running.”

FCCI Contractors Select is a comprehensive approach to commercial insurance and risk management. Eligible ABC contractor members have access to: insurance coverage tailored for contractors; a local designated insurance service team providing professional risk control and claim expertise; construction-focused education seminars; online risk management resources; and the FCCI HR & Employment HELPLINE – an online resource providing HR management, risk control and employment law information. Dividends are not guaranteed and are declared at the sole discretion of the board of directors of the individual FCCI insurance companies. Decisions are based on individual member premiums paid during the dividend period, length of continuous coverage, and favorable claims experience.
