

# FCCI Vendor Alliance: Risk Management Solutions for Success

## ABOUT THE VENDOR ALLIANCE PROGRAM

FCCI Insurance Group's Vendor Alliance program partners with select companies to provide enhanced risk management solutions to help businesses reduce the risks they face every day.

### Here are some of our partners:

**Lehigh CustomFit** features a comprehensive online safety footwear program, offering protective footwear aimed to help prevent accidents and injuries.

**Driver's Alert** provides large and small vehicle fleets with technology-based safety solutions to improve driver behavior and mitigate financial losses, including a How's My Driving decal-based program, GPS and telematics tracking, and Motor Vehicle Record (MVR) reviews and mobile friendly employee health and safety training courses.

**TRUCE Software** delivers Contextual Mobile Device Management solutions to eliminate device distraction in the workplace. TRUCE enables companies to temporarily suspend or allow access to mobile apps and features based on the work being performed, the work location or the workgroup.

**SafetyFirst** delivers a full suite of driver safety products and services, aimed at preventing commercial vehicle collisions. Their product offerings include the Safety Hotline – decal-based driver program, Telematics, Driver Training, MVR and MVR Monitoring.

**Evolved Safety** provides a variety of health and safety training resources for business such as video, virtual reality, learning management systems (LMS), online OSHA compliance training, custom content creation, and more.

**Acadian Total Security** offers a variety of solutions to keep your business property, fleet and workers safe. From access control, security and fire alarm systems to vehicle telematics, dash cams and asset tracking systems, Acadian Total Security is here to help.

**For more information, please contact your FCCI Risk Control consultant.**
