FCCI Insurance Group Receives Toastmasters International Corporate Recognition Award

SARASOTA, Fla. – November 1, 2016 – Sarasota-based FCCI Insurance Group (FCCI) was recently honored with this year’s Toastmasters International Corporate Recognition Award.

FCCI received this award for enhancing employee engagement through continuing support of Toastmasters’ Communication and Leadership programs. In addition to supporting their own corporate-based club, FCCI also hosts many events for the district, allows use of their facility, and provides consistent financial support to Toastmasters N Transition and News Heights Toastmasters – clubs for former prisoners who are transitioning back into society.

Mike Storkey, President of Toastmasters International, came from Australia to visit FCCI and present the award. FCCI Toastmasters Vice President of Education Cherie Haslup said, “This is a huge honor and I could not be more excited. This award recognizes all that FCCI does on behalf of Toastmasters. We are fortunate to work for an organization that invests so much into their own employees and helps others as well.”

Other corporations that have received this prestigious award include Walt Disney Company, Progressive and Shriners Hospitals for Children.
