

# On the Go with FCCI Inland Marine

## ABOUT FCCI INLAND MARINE INSURANCE

Many policyholders have coverage needs that may not be provided in a standard property policy. Inland marine insurance has its origins in ocean marine insurance. As commerce expanded inland, the need developed to extend this coverage beyond the ports to inland warehouse locations.

FCCI Insurance Group provides a wide array of coverages for property damaged away from a premises. If a business keeps equipment at a job site, hauls goods or conducts any other business on the go, inland marine insurance is essential.

FCCI's Inland Marine insurance protects personal property in transit, mobile equipment and property of others. Coverage may be provided for accounts receivable, electronic data, signs and valuable papers, as well as contractor's equipment, property in transit, and goods in others' care, custody and control.

Growth opportunities with inland marine in the U.S. are significant. Let FCCI provide the much needed protection to safeguard businesses from Inland Marine risks.

The statements presented in this flyer are for informational purposes only and are not intended as a complete listing of coverages, limitations or exclusions. Refer to the policy for an exact description of coverage provided. Availability of coverages and limits may vary by state.
